## The NAKIGAN'S JANUARY 2013 UPDATE

*Dear beloved Brother and Sister in Christ,*

*We really thank our God who has been a refuge for us all along 2012, both in the family and the ministry. During the time of sorrow or joy he was there to take care of us. Our thanks to you God used as instruments, to strengthen and encourage us, as we are pushing for the move of his kingdom in Senegal, May he reward you as you stand for his glory..*

### FAMILY

*2012 was full with challenges in the family, and the ministry but at the end we can say this : We have seen him at work. Starting from God's daily provision to pay the school of the two kids and face the rent and the other needs with the high cost of live we have now.*

*Naomi and Vanessa did well at school and their results are among the best in their grades. Sarah stills at home, she is growing and trying to speak like every body.*

*We've been able to have a break this year and travel to Guinee Bissau and Ziguinchor. I was really good to refresh ourselves in prayer and visit our family we did not for a long time. When we came back we have to start the treatment of Naomi with the dentist for a total ( 900 000 F cfa = \$ 1800 US ). The Lord provided ( 300 000 F = \$ 600 US cfa ) we are praying for the balance ( 600 000 F = \$ 1200 US ) we have to pay.*

*This year with the help of the partners we have been able to do a donation of wheelchairs in Rufisque. It was a real joy for those who received them and the name of God was glorified.*

*We have plans to extend this action to all the fields where we are working, to show the love of God.*

## MINISTRY

The Lord has been gracious to us this year with new believers that have added to the church ( 5 new People) Presently three people are following the discipleship classes.

Ten kids have joined the Sunday school, a great joy to see the number grow but at the same time the teachers have to run two classes: one under the three in the church yard and another class in the office. We've been really encouraged to see these kids grow and faithfully come to the church, some of them have parents that are not Christians.

So please pray that God will reveal himself to them. Last April we started a new trust in a SERRERE Village call. This village has a reputation of stronghold of occultism among the SERRERE, but God in his grace gave us a convert from that village and his burden is to see his people saved. After Prayer in the Church we really felt as a church that God want us to take the GOSPEL to this people group.

Our first visit in the village was beyond our expectations, we sheared

Gift ( Samaritan Purse boxes ) to the children in the village, this was a great testimony and many welcomed us and encouraged us to come again.

We thank God as well ,for his grace over the nation during all the process of the elections (before and after).

May God bless and keep you.

**HAPPY NEW YEAR  
2013**

**MAY GOD BLESS AND  
ENCREASE YOU.**

We love YOU...
